

COMMUNITY CARE HUB NATIONAL LEARNING COMMUNITY TECHNICAL ASSISTANCE

Individual technical assistance (TA) is available for National Learning Community (NLC) participants. Each NLC participant may access a bank of 15 individualized TA hours that can address a broad range of topics. Individual TA requests will be accepted until **July 28th, 2023** and must conclude by August 31, 2023. Here are a few examples of recent TA requests and plans.

BILLING AND CODING

- A Network Expansion member was interested in becoming a Medicare provider with billing capacity.
- As part of their TA plan, their TA provider:
 - Developed 2 guides on partnership strategy and billing best practices.
 - Crafted a data-driven strategy for healthcare billing to Medicare Advantage plans, Medicaid MCOs, and healthcare systems.

FINANCIAL ACUMEN

- A Network Development member was looking for a review of their 5-year plan and assistance with securing liability insurance and partner contracts.
- As part of their TA plan, their TA provider:
 - Reviewed their 5-year financial plan and insurance needs.
 - Assisted with membership development and discussed the differences between various payment models.

HEALTHCARE CONTRACTING

- A Network Development member wanted to learn about their state healthcare payers and how to obtain a healthcare contract.
- As part of their TA plan, their TA provider:
 - Developed 6 learning sessions on market assessments, market research, and prospective healthcare partnership profiles.
 - Developed follow-up activities on market research based on the TA learning sessions.

Are you interested in being matched with a TA provider with subject matter expertise? Submit a [TA Request Form](#). Please contact CommunityCareHubs@acl.hhs.gov with any questions about potential TA requests.
